Greenville, SC • Crystal.d.tuminello@gmail.com • 551-204-4387 • CrystalTDesigns.com

SUMMARY

UI/UX and Web Designer combining strong visual design, branding, and AI-powered workflows. Skilled in HTML/CSS, Bootstrap, Adobe Suite, and AI tools (ChatGPT, Grok, Copilot, Midjourney, Firefly). Known for clean, user-centered design, efficiency, and strong client communication. Brings leadership experience from national operations and VIP service roles.

CORE SKILLS

UI/UX Design	Adobe InDesign
HTML, CSS, Bootstrap	AI Tools (ChatGPT, Grok, Copilot)
Branding & Identity	Midjourney, Firefly
Adobe Photoshop	Prompt Engineering
Adobe Illustrator	Product Photography

EXPERIENCE

Freelance Designer & Photographer — Crystal T Designs (2023–Present)

Design responsive websites using HTML/CSS/Bootstrap. Build branding systems including palettes, logos, and typography. Create brochures, menus, posters, and multi-page layouts. Use AI tools for concepting, editing, and workflow automation. Shoot and retouch product and studio photography.

Hospitality Operations, National Opening Team | Suite Attendant & Catering Supervisor Levy — Bon Secours Arena & National Venues (2020–Present)

Serve VIP suite clients and supervise premium event operations. Train staff on POS and digital ordering systems. Selected for Levy’s National Opening Team for leadership and consistency. Opened major U.S. venues including Saratoga, Chicago NASCAR, Baltimore Ravens, Carolina Panthers, Spectrum Center, and Orlando Football. Lead onboarding, workflow setup, and high-volume operations.

EDUCATION

Web & Graphic Design Certificate (In Progress) — Greenville Technical College
UX/UI & AI-Assisted Design • President's List & Dean's List

Associate Degree in Business Marketing — Tri-County Technical College
